Dear New Employee:

Welcome to the Town of Hampden. As a new employee for the Town, I want to wish you success and personal satisfaction as a member of the Town of Hampden employee 'team'.

We are fortunate to have many highly qualified and talented individuals who work for the Town. There is a wealth of experience and knowledge and a cooperative, team-centered approach to the work that needs to be done. There are high standards and expectations for accomplishment, but there is also training and advancement opportunities, fair pay, and excellent benefits offered in return.

This Employee Handbook defines work rules, benefits, applicable policies that identify regulations related to smoking and drug and alcohol use and family medical leave, the grievance procedure-and many other items that really define the employer-employee relationship here. It is important that you read and understand the contents of the handbook. After doing so, if you have questions about any material in it, please see Finance and Human Resource Officer Janie Pitcher and she will be happy to answer them.

Janie handles all questions related to payroll and accounts payable as well as information for employees who are both newly hired and those separating from service. Questions related to insurance coverage(s) and changes should be addressed to Tammy Ewing, the Finance Assistant.

Again - welcome. I look forward to working with you.

Sincerely,

Susan Lessard
Town Manager

Full time employees who are covered by insurance from their spouse or an alternate source may elect to receive a payroll adjustment (subject to all tax and FICA withholdings) in lieu of insurance coverage equal to 50% of the annual single subscriber premium through the Maine Municipal Association Health Trust. Employees electing to utilize this provision must provide the Payroll Department with proof of alternative health insurance coverage.

WORKER'S COMPENSATION

The Town of Hampden provides Workers' Compensation Insurance for all its employees, as mandated by law. The purpose is to provide medical/hospital care and partial salary replacement when an employee is incapacitated due to work related reasons.

All employee injuries at work, no matter how slight, are to be reported to the employee's Department Head or Supervisor who will provide the necessary accident report forms (Employers First Report of Occupational Injury or Disease and Accident/Injury Investigation Form). These forms are completed regardless whether medical care is received and/or time from work is lost. Injury reports must be made and must reach the Town Clerk's office within 24 hours of the injury.

Employees who suffer injuries that require time off to recover are still Town of Hampden employees and will be asked to comply with certain procedures. It would be prudent of the employee to contact the payroll office to discuss deductions the employee may have and make any arrangements that may be necessary.

While off work due to an injury, employees shall report to their Supervisor or Department Head once a week, at a previously arranged time, in order to keep the Town informed of the healing process and when return to work can be expected. If the employee is ambulatory, this weekly reporting should be made in person.

When the injured employee is released by his/her attending physician for alternative work or regular work, the release should be presented by the employee to the Department Head or Supervisor immediately. Failure to report as outlined here without valid reason may be considered the employee's voluntary termination of employment.

2. Protection of employee benefits while on leave.
3. Protection from retaliation by an employer for exercising this right

2. Birth of the employee's child or the employee's domestic partner's child;

2. Deployment, if the military member is granted leave; or

not result in the loss of any employee benefits accrued before the date on which the leave commences.

Any employee who exercises the right to family military leave is entitled to be restored to the position held when the leave commenced or to a position with equivalent seniority status, employee benefits, pay and conditions of employment, unless the employer proves that the employee was not restored to such employment because of circumstances unrelated to the employees' exercise of family military leave rights prevent the Town from restoring the employee to the same or equivalent position..

MILITARY SERVICE LEAVE

Policy: The Town will grant military leave as necessary in compliance with all applicable state and federal laws.

Reserve Service Leave: Reserve service leave is available to regular full-time employees who are members of the military reserves or National Guard in accordance with the terms of applicable Federal and State law. CUSTOMER COMPLAINT POLICY

From time to time, you may have a complaint or concern regarding the quality of our work. It is important to address such matters promptly.

In most instances, if you are the first staff person to hear the complaint, you should be able to resolve the issue immediately and are encouraged to do this.

When immediate resolution is not possible, you should refer the matter to your Department Head or Supervisor who will take over the responsibility for resolution and will inform the Town Manager if it is warranted by the nature of the complaint.

The Department Head or Supervisor will establish a file of the complaint, including the original complaint and will work to resolve the matter through direct interaction with the complainant.

If the independent resolution is acceptable to the complainant and the Department Head or Supervisor, the case will be closed and a summary report will be sent to the Town Manager.

If the independent resolution is unacceptable to both parties, the case and the resolution will be reviewed by the Town Manager and a final determination will be made by the Town Manager.

This will exhaust the internal complaint process.
